

Chemical Biology Summer Program (ChBSP)

A 10-week chemical biology research experience on the NYC campuses of Memorial Sloan Kettering Cancer Center, Rockefeller University & Weill Cornell Medicine

Applications are invited from chemistry, biochemistry and chemical biology undergraduate freshmen, sophomores, and juniors interested in pursuing research at the interface of chemistry and biomedicine.

The 10-week program begins on June 3 and ends on August 9, 2019.

Participants will:

- Adapt their chemistry skills to answer biomedically-focused research questions in cutting-edge laboratories at Rockefeller University, Memorial Sloan Kettering Cancer Center, and Weill Cornell Medicine.
- Interact with faculty, postdoctoral fellows, and graduate students.
- Attend a weekly luncheon seminar series of presentations by faculty.
- Attend professional development workshops.
- Present a poster at the end of the program.
- Receive a stipend of \$6,000 for the summer. Please note that we are unable to offer housing to ChBSP interns.

For more information, see a full description of the program at:

mskcc.org/chbsp-summer

Students can complete and submit an online application at:

sam.mskcc.org

Deadline for receipt of applications: February 1, 2019
