

TPCB MAJOR SPONSOR AGREEMENT Weill Cornell Medicine

I, _____, have agreed to serve as Major Sponsor for
_____, a graduate student in the TPCB Program.

TPCB Student Funding Structure

- Year 1: Stipends and tuition fees are funded by the TPCB Program.
- Year 2: Stipends and tuition fees are funded by the Institution (WCM).
- Years 3-5: Stipends are funded 50% by the Major Sponsor and 50% by the Institution.
Tuition fees are funded by the Institution.
- Years 6+: Stipends and tuition fees are funded 100% by the Major Sponsor.

I understand TPCB's funding structure and acknowledge that I am responsible for 50% of the stipend in Years 3-5 and for 100% of the stipend and tuition fees in Year 6 and beyond. I commit to providing funding for my student's stipend according to the schedule above, in addition to reasonable research expenses, throughout their duration of graduate study.

I understand that my student is required to adhere to all TPCB rules and policies, including curriculum and committee requirements (posted on the TPCB website), as well as the rules and policies of the Weill Cornell Graduate School. I commit to mentoring my student and to supporting their overall career and professional, including completing a face-to-face review of the student's Individual Development Plan at least annually.
